

# CAFFÈ *Coffee*

Our coffee is exclusively roasted and blended in Italy. Please choose which of our blends you would prefer: Napoli – Arabica with a characterful kick of Robusta, or Milano – smooth and sweet roast based mainly on Arabica beans.

*Coffee means Espresso in Italy. Espresso has a density of flavour that distinguishes it from all other types of prepared coffee, whether drunk alone or as one of the espresso drinks, soothed by hot steamed milk.*
